Dear Colleague,

We appreciate your interest in our Puerto Rican Heritage Poster Series – the visually attractive educational tool designed to teach younger generations and all members of our community about the broad range of our Puerto Rican experience in the United States. In order for your school or community organization to receive a donated copy of the poster series Centro requires the following:

A formal request on official letterhead briefly stating how this educational tool is intended to be used. This document can be emailed to Centro’s Associate Director for Administration José de Jesús at jdejesus@hunter.cuny.edu or by regular mail at Center for Puerto Rican Studies Hunter College, 695 Park Avenue, Rm. E1429, New York, NY 10065. Once received, the posters will be mailed to you via Priority Mail.

This poster series was designed with a study guide that will make it easy to wrap this series into an educator’s curriculum. The 59-page guide and other educational tools are available online and free of charge at http://centropr.hunter.cuny.edu/poster-series.

To learn more about how to use the posters as a teaching tool you can watch a recorded video conference titled Teaching and Learning About Puerto Ricans in the U.S. available at https://www.youtube.com/watch?v=phdzVI-5xg4&feature=youtu.be

For any questions about the study guide you can contact Dr. Luis O. Reyes, Director of Education at Centro by calling (212) 772-5708 or email: luisoreyes@aol.com.

We would greatly appreciate a short report on how you used the posters and on how they were received by audiences. This can be done by sending us photos, videos or a short article. This information will assist us in enhancing the quality of future educational products that Centro is developing.

Thank you for your interest and for supporting Centro’s mission.

Sincerely,

Dr. Alberto Hernandez-Banuchi
Centro Associate Director
